Bridge of Peace Ceremony

The Bridge of Peace is a very real and empowering ceremony and creates personal bridges of reconciliation and healing. It is an opportunity to connect heart to heart with someone from a different cultural background, heal wounds of the past, build lasting friendships and resolve conflict that is passed on from generation to generation. It is one of the signature projects of WFPW International.

Hands for Peace

Following a whole day of peace talks, let us get together in the heart of Melbourne and practice peace symbolically by holding hands and creating a human chain...
